4 FREE**

Servants Unite!

Uniting Churches in Disaster Relief and Community Service

Believe it or not, volunteers are still desperately needed to clean up from hurricane Katrina. This team will work with hundreds of other volunteers through Hilltop Rescue in Chalmette Louisiana, a suburb of New Orleans, to clean out flooded houses so residents can rebuild. December 29 is their last chance to salvage their home before it is scheduled for demolition. The time you spend on this free short term mission trip will directly impact the lives of 5 or more families for Christ.

You are called to this work. This is the slowest time of year at work. The kids are out of school. There is absolutely **NO CHARGE** to participate with this team. There is no better time to join.

For more info, go to www.servantsunite.org, or call John McGuire @ 614-404-8610.

Highlights

- Good hard work for God's Kingdom.
- Warm weather.
- Gracious hosts and intensely thankful recipients.
- **NO CHARGE!!** Only expense is meals traveling down and back.

"I don't want to go back to church and dress up and everything be nice and pretty.

What we've been doing here is real church, its getting dirty and helping people."

Angie G
